Home Economic Students Make Draperies for Newton Hall

Students, faculty make move to new building

Members of the faculty and student body are beginning to get settled following a move earlier this month to the newly constructed classroom and lecture building, Newton Hall, on the campus of East Central Junior College, Decatur.

Constructed at a cost of \$800,000, the 16,000 square foot structure will alleviate the problem of having classes scheduled all over the campus. Totally modern in design, an outstanding feature of the building is a 1,680 square foot lecture room on the first floor. This room, which includes a small stage, will be very versatile and will accommodate films, lectures, and other presentations. The auditorium-style classroom is carpeted and has cushioned seats to accommodate 125 people.

Of interest to faculty and staff members was the installation of a telephone exchange and switchboard, enabling each faculty

member to have a phone in his or her office. Also housed on the first floor in the carpeted faculty office complex are the faculty lounge and mail room.

An example of the modern classrooms is the use of floor-to-ceiling chalk boards in the math classrooms. Also housed in the building are a new public relations office and photography darkroom, a duplicating room with a multi-copy machine, and a conference room.

Certainly one of the most outstanding features of the building is the Home Economics Department, located on the second floor, with a large kitchen, living room and dining room, sewing laboratory, grooming area, and foods lab.

According to Dr. Charles Wright, President of the college, a formal open house is being planned for the fall of the year. Further details will be announced at a later date.

HOME ECONOMIC STUDENTS Sheila Williams [left] of Union, Debbie Moore of Beulah Hubbard, and Denise Shaw of Sebastopol [right] hang draperies made for the new building by students in the Home Economics Department. Draperies were made by the students for each of the faculty and service offices.

EAST CENTRAL JUNIOR COLLEGE

Emma Mapp from Decatur, Lynn Harkins from Thomastown and Debbie Bishop from Newton are shown in one of the modern kitchen units in the new Home Economics Department at East Central Jr. College, Decatur. The new Home Economics Department will be dedicated on November 6th with open house on Saturday and Sunday, November the 6th and 7th.

Apple For The Teacher Tea April 1977

HONORED AT TEA--Eight members of the ECJC faculty and staff were honored last week at the APPLE FOR THE TEACHER TEA, given by members of the Home Economics Department. Recognized for their service to the college for 20 years or more were, from left to right: Leonard Fick, Lucille Wood, J.C. Ezelle, Denver Brackeen, Jessie Mae Everette, Ovid Vickers, Brad Tucker, and Frank Rives.

Home Economics Award

April 1977

Recipients of Faculty Memorial Awards were: Ruth Hull Award for Home Economics--Barbara Hall of Newton;

FACULTY & DEPARTMENTAL AWARD WINNERS, from left to right, [1st row] Nancy Heard of Decatur, Linda Quinn of Noxapater, Julie Lathem of Forkville, Barbara Hall of Newton, Jane Hunter of Decatur; [2nd row] Marion Whinnery of Carthage, Arlies Savell of Decatur, Retha Goldman of Philadelphia, Judy Wolverton of Philadelphia. [3rd row] Leonard Fick of Decatur, Clark Dunn of Philadelphia, Lamar Moore of Philadelphia, Jaris Brantley of Union, Steve Hillman of Carthage and Tony Smith of Union.

DEMONSTRATION GIVEN

Mrs. Jean Hill of the ENTEX Gas Company [center] presented a holiday foods and decoration demonstration to interested students Tuesday morning. Pictured with her are Lynn Harkins [L] and Janis Meador [R].

Home Economics Sponsor has a Prize Winning Recipe

Defeats her mother

September 20, 1977

Receipt sent in by Mrs. Pouncey wins grand prize cookbook award

by Patti Roebuck

Did you ever think your cooking could win a prize for you? Mrs. Alice Pouncey's culinary abilities have done just this for her; she captured the grand prize in the 19th annual Meridian Star Cookbook.

The recipe was entered in the contest and published in the Meridian Star this summer. Mrs. Pouncey had to prepare her dish and take it to be "taste-tested" by professional Home Economists from the Meridian area.

Mrs. Pouncey obviously comes from a family of good cooks, as her mother won the meat category with a recipe given to her by Mrs. Pouncey. Mrs. Pouncey beat her mother in the over-all contest. "She won second and I won the grand prize," stated Mrs. Pouncey.

The grand prize was a Panasonic Microwave Oven. Ironically, she received a microwave oven for Mother's Day from her husband.

A White Chocolate Cake was Mrs. Pouncey's award winning entry. The recipe was given to her by Sheila Williams, a former student from Union.

This is a very unusual type of cake because the major ingredient, white chocolate, cannot be found in any grocery stores in the area. White chocolate is a candy; there is no chocolate in it

at all, but it tastes and smells like chocolate. Mrs. Pouncey obtained her white chocolate at the candy counter at Woolworth's in Meridian.

WHITE CHOCOLATE CAKE

1/4 lb. white chocolate
1/2 cup boiling water
1 c. butter or margarine
2 cups sugar
4 eggs; beat egg yolks separately

Melt chocolate in boiling water (over heat). Cool. Cream butter until light. Add sugar gradually and continue to beat until very light and fluffy. Add 4 egg yolks. Beat 2 or 3 minutes on mix. Add cooled chocolate and mix well. Add alternately with 1 cup buttermilk, 2 1/2 cups cake flour, 1 tsp. baking powder. Fold in beaten egg whites. Gently stir in 1 cup of chopped pecans and 1 c. flaked coconut. Pour into three 9 inch cake pans (greased & floured) Bake at 350 degrees for 35 to 40 minutes.

FROSTING

1 stick butter (1/2 c.)
2-3 oz. pkgs. cream cheese
1 box powdered sugar
1 tsp. vanilla
1/2 c. chopped pecans
Cream butter & cream cheese. Add sugar and vanilla. Beat until of spreading consistency. Add pecans. If too stiff to spread, add a small amount of milk or cream.

October 6, 1977 Club Activities

HOME-EC CLUB SELECTS OFFICERS

The following six girls were selected at the first meeting of the Home-Ec club to serve as officers: President - Lynn Harbins; Vice President - Cindy Harris; Secretary - Helen Baumum; Treasurer - Kathy Stammer; Reporter - Tammy Weaver; Historian - Judy Yarbrough.

Some very interesting projects are being formulated by the club and because of this everyone is encouraged to join. The dues for membership are \$1.25.

'Femininity' stands out in day's fashion

This year's Spring and Summer fashions may be functional but there's no doubt as to their femininity.

The colors are splashes of soft pastels adorned with ruffles, ribbons, lace and bows. However, despite the emphasis on "feminine" the body is more than often lost among this season's look of loose and fluttery, a bonanza for the little woman clever with a needle because of the absence of fit. It's the era of the limp look.

For the modern woman who looks for functional and comfortable clothes, there are a number of trousered suits, albeit a feminized version, with jackets that can be worn with a skirt or dress. In fact skirts seem to be the going thing, wrap-around, tiered, slender and straight, gored, and pleated.

To offset the trouser suits, the skirts are utterly femi-

To offset the trouser suits and skirts are utterly feminine, frilly, filmy blouses in a vivid color or pure white, tying at a low line or worn with a stringy black tie.

Dresses for daytime strike a new unsophisticated look with loose tops, imminently bloused more or less, with sleeves oscillating between the batwing, deep raglan, or fullness gathered into cuffs. Lengths are mainly as you like it, but you won't be seeing many knees since most lengths will fall around

The fashion squad models the latest in spring fashions [Left to Right] Lisa Everett, Angela Hardy, Julia Wright,

mid-calf.

The heat of the Summer will show the return of last year's sundress, with handkerchief trim, spaghetti straps and the elasticized bodice.

Shorts are returning in longer lengths, among the favorites, the "safari short" which rides about three to four inches above the knee. The "hotpants" look, however, is dead.

ECJC Home Ec Club Elects '79-'80 Officers

The Home Economics Club at East Central Junior College have elected officers for the 1979-80 school year. Elected were: Shelia Whitten, daughter of MRs. Jerusha Whitten of Newton, president seated; Melissa Thompson, daughter of Mr. and Mrs. James C. Thompson of Morton, vice-president, second from left) Mavis Harris, daughter of Mr. and Mrs. Issac Harris of Louisville, secretary and treasurer, right; and Sharron Goodman, daughter of Mr. and Mrs. Roy Goodman of Decatur, reporter, left. The purpose of the Home Economics Club is to learn to use the tools and techniques of the Home Ec field and to stimulate interest in that field. Serving as sponsor of the club is Mrs. Alice Pouncey.

Janet Goforth, Lucy Duncan, Judy Russell and Cheryl Newell.

for "78" is brief. The "77 mailot, made only for perfect figure, will re' will the barer for together by a few placed knots.

Despite the return to looser styles the bathing suit

Home Ec. students visit factory, home

The Home Economics Club has been busy during the second semester sponsoring the Miss ECJC pageant, touring the beautiful home of Mr. and Mrs. C.L. Jordan, and visiting the Decatur Shirt factory.

The Boystone Shirt Factory is located east of Highway 15 in Decatur. The factory is one of the main employments of Decatur, employing between 100 and 150 employees from local areas.

Meeting in the main entry of the factory, the Home Economics Club assembled and began touring the plant. The guide was an office employee of the factory. The club members began at the front where workers were busy sewing the shirts together. Next, they saw how the shirt is finished and trimmed for storage. Near

the back they saw the new patterns and styles for the

up coming year.

Mrs. Alice Pouncey is the

sponsor of the Home Economics Club at East Central.

Home Ec club plans year

The Home Economics Club,
sponsored by Mrs. Alice Pouncey,
met on Tuesday, September 12, to
elect officers and to discuss
upcoming events.

The members have elected the
following as their officers: Pres. -
Robin Hamrick; Vice-Pres. -
Cindy Harris; Secretary-treasurer
Cindy Fulton; reporter - Clara
Gainey; and scrapbook chair-
person - Melissa Thompson.

Discussions included club pro-
jects, trips to be made plans for
programs, homecoming parade
entries, and club dues, which are
\$1.50 per semester. Co-chair-
persons for the parade entries are
Cindy Haris and Cindy Fulton.

Students are encouraged to join
this organization. Anyone who is
interested should contact Mrs.
Pouncey for more information.
